

## Hear what other law firms say about CalmHR:

*“Our firm is not large enough to participate in the group savings that are available to larger employers, Joe Appelbaum has always proactively provided us with innovative ways to save money on our health care plan while continuing to offer our employees comprehensive benefits. The team has educated us on how to greatly reduce costs on our prescription drug plan and has offered suggestions to provide our participants with much needed cost-savings as well. These experts are extremely responsive and available at any time to answer any questions that may arise. Throughout our relationship, Joseph Appelbaum and his team have taken the time to connect with our firm and truly understand our internal culture.”*

*“CalmHR has been extremely helpful for the functioning of our firm. Their team has been excellent. They are very easy to work with and always ready to answer my many questions. They have been very knowledgeable in navigating issues related to employees and benefits, and Zach was instrumental in setting up and maintaining our 401 (k) plan. They are almost always available for same day calls to walk me through anything I need help with. I would highly recommend their services to anyone on the market for an HR firm.”*
